

# Ingeo™ Resealable Snack Bags

Ingeo™ Resealable Snack Bags are crystal clear and perfect for packaging cold foods such as cookies, candy, portioned snacks, and other treats. They are flat and have a 1" fold-over lip that seals the bag with a resealable tape strip.

Made from a Ingeo® biopolymer derived from renewable, plant-based resources, not petroleum, these bags are 100% compostable. They can be disposed of with food waste designated for a municipal or commercial compost environment and will completely break down into organic matter within 180 days.

- For cold food use only
- 1" lip with resealable tape
- 1.2ml bag thickness
- Produced from renewable plant-based resources
- ASTM D6400 certified compostable
